David Seligman

Joyce Frater , Associate Member by phone.

Guests:

Juliette Haas, Board of Health

Al Thorpe, Accord Engineering

Mike Straher, Property Owner

Kate McCormick, Attorney representing the property owner.

Public Hearing:

Open 5:35 pm

RDA 24 Lakeside Drive Pursuant to orders from the Board of Health

Al Thorpe presentation and project review showing Site Plan and project scope within resource area.

Project Approved with the following Special Conditions:

Special Conditions:

- The wire animal barrier shall be attached to the building and inserted into the ground no deeper than 12". It will consist of hardware cloth fastened with exterior grade screws and plaster buttons.
- No equipment other than hand tools will be used during the process of installation.
- A tarp will be placed around the perimeter of the building to collect the displaced soil from trenching.
The soil will then be replaced after the ground has been trenched and the wire has been installed.
- A work sequence plan will be submitted. A site visit is required at each step of the installation process and upon project completion.

- No vehicles are to be allowed within the wetland boundary.
- No work will be allowed during periods of rain.
- Work to be completed by August 5 as required by the Board of Health

Hearing closed 6:02 pm

Meeting adjourned at 6:03 pm

Next meeting August 12, 5:30 pm

Respectfully submitted,

Alexis Wreden Fakelmann
